

# A Ministry Guide:

DISCIPLESHIP IN THE DIVINE WILL

## *An Overview*

***We are entering the period of Tribulations - we need to prepare.***

*The purpose of this book is for you to introduce others to the Gift of Living in the Divine Will.*

*It is a means for you to coach and guide individuals, or groups who will be looking for direction.*

*In this introductory series of 5 lessons, they will learn about God's greatest gift to mankind, **the Gift of Living in the Divine Will**, the fulfillment of the **Our Father** prayer.*

*The progressive structure of the Guide will enable you to present the lessons to those at different levels of knowledge of the gift.*

- *If a person has little, or no knowledge of the faith you build on that.*
- *If person is a Christian, with belief in God, begin with Lesson 1 - slowly. Have them watch the Fr. Iannuzzi's video, and point out a few bullets of what the DW is.*
- *If a person has some knowledge of Luisa and the Gift, you may decide to start at a more advanced lesson i.e. Lesson 2,3, or 4.*
- *Your approach in each situation will depend on you, and your instincts, guided by the Holy Spirit.*
- *Not to worry, as Jesus will be speaking through you.*

*A brief review of the Guide's Table of Contents will help you to follow the Lesson plans for each level:*

- *Each lesson begins with the Command Prayer, and the Brief Prevenient Act, and concludes with the Unity Prayer.*
- *After subsequent lessons there will be a review of the previous lesson's material. This may be important, depending on the time span between the teachings. Use your judgement.*
- *Handouts for each Lesson are included to help students to follow and keep notes without having to write everything down. There are multiple examples of how to do the Acts and Rounds.*

*The APPENDIX includes a deeper understanding of the Divine Will,*

- *Guidelines to Praying in the DW, with many special prayers.*
- *Continuing the Journey:*
  - *DW videos*
  - *DW websites*
  - *reading the Volumes of the Book of Heaven*
  - *watching Greg Dunne's' video*

*Summation:*

*We are called by Jesus to be His disciples in the Divine Will, His remnant army. After the Warning, there will be thousands of people that will need shepherding. This Ministry Guide provides a means to enable you, each cenacle member, to lead others to learn about and understand the Gift of the Divine Will, by sharing these lessons with individuals or in larger groups.*
