

EVERY ACT DONE IN THE DIVINE WILL IS AN ADDED JOY FOR ONE'S OWN GUARDIAN ANGEL (October 2 — Feast of the Holy Guardian Angels)

"My daughter, do not lose time, because every time you occupy yourself with yourself it is an act of my Will that you lose; and if you knew what it means to lose one single act in my Will...! You lose a divine act - that act which embraces everything and everyone, and which contains all the goods that exist in Heaven and on earth. More so, since my Will is a continuous act which never stops Its course, nor can It wait for you when you stop with your fears. It is more appropriate for you to follow It in Its continuous course, than for It to wait for you to place yourself on the way in order to follow It.

And not only do you lose time, but having to pacify you and to raise you from your fears in order to put you on the way in my Will, you force Me to occupy Myself with things which do not regard the Supreme Volition. Your very Angel, who is near you, remains on an empty stomach, because every act you do in It, as you follow Its course,

is one more accidental beatitude which he enjoys, being near you; and it is a doubled paradise of joys that you offer him, in such a way that he feels happy in his destiny of having you in his custody.

And since the joys of Heaven are communal, your Angel offers the accidental beatitude he has received from you, his doubled paradise, to the whole Celestial Court as the fruit of the Divine Will of his protected one. All make feast and magnify and praise the power, the sanctity, the immensity of my Will.

Therefore, be attentive; in my Will one cannot lose time - there is much to do; you have to follow the act of a God, which is never interrupted. " (Vol. 19, Feb 28, 1926)

**On October 7, together with Our Lady of the Rosary,
we also celebrate the:**

“BEGINNING OF THE KINGDOM OF THE DIVINE WILL”

Vol. 25; October 7, 1928 : “...Now, in order to be able to say what Jesus told me, I have to make a brief mention – that here in Corato a House has been founded, which was wanted and started by the venerable memory of Father Canonical Annibale Maria Di Francia, and which his children, faithful to the will of their founder, have executed and given the name of House of the Divine Will, as the venerable father wanted. And he wanted me to enter this House; and on the first day of its opening, by their goodness, his sons and daughters,

“BEGINNING OF THE KINGDOM OF THE DIVINE WILL”-2

the reverend mothers, came to take me and brought me into a room which is such that, as the door of this room is opened, I can see the Tabernacle, I can listen to Holy Mass, I am just under the gazes of my Jesus in the Sacrament. Oh! how happy I feel, that from now on, if Jesus wants me to continue to write, I will write always keeping one eye on the Tabernacle and the other on the paper I write on. Therefore, I pray You, my Love, to assist me and to give me the strength to make the sacrifice that You Yourself want. So, as this House was about to be opened, one could see people, nuns, little girls - people coming and going, all in motion. I felt all impressed, and my sweet Jesus, moving in my interior, told me:

"My daughter, this group of people whom you see all in motion for the opening of the House of my Divine Will is symbolic of that group of people when I wanted to be born in Bethlehem, and the shepherds were coming and going, to visit Me, a little Baby. This pointed out to all the certainty of my birth. In the same way, this group of people, all in motion, points out the rebirth of the Kingdom of my Divine Will.

Look at how all of Heaven echoes my birth, when the Angels, celebrating it, announced Me to the shepherds, and putting them in motion, made them keep coming to Me, and I recognized in them the first fruits of the Kingdom of my Redemption. So now, in this group of people, of little girls and nuns, I recognize the beginning of the Kingdom of my Divine Will. Oh! how my Heart exults and rejoices, and all of Heaven makes feast.

Just as the Angels celebrated my birth, so do they celebrate the beginning of the rebirth of my Fiat in the midst of creatures.

“BEGINNING OF THE KINGDOM OF THE DIVINE WILL”-3

But, look at how my birth was more neglected, more poor – I had not even one priest near Me, but only poor shepherds. On the other hand, at the beginning of my Volition, there is not only a group of nuns and little girls from out of town, and a people rushing up to celebrate the opening, but there is an archbishop and priests representing my Church. This is symbol and announcement to all, that the Kingdom of my Divine Volition will be formed with more magnificence, with greater pomp and splendor than the very Kingdom of my Redemption; and everyone, kings and princes, bishops and priests and peoples, will know the Kingdom of my Fiat and will possess It.

Therefore, you too, celebrate this day in which my sighs and sacrifices, and yours, to make my Divine Will known see the first dawn and hope for the Sun of my Divine Fiat to soon rise."

And so, the evening of this day consecrated to the Queen of the Rosary, Queen of Victories and Triumphs, arrived. This is another beautiful sign that, just as the Sovereign Lady conquered her Creator and, binding Him with the chains of her love, drew Him from Heaven to earth so that He might establish the Kingdom of Redemption, so too will the sweet and powerful crown of her Rosary make her once again victorious and triumphant before the Divinity, enabling her to conquer the Kingdom of the Divine Fiat so that it may come to dwell among creatures...
