THE ASCENSION. HOW OUR LORD IN HEAVEN PREPARES THE KINGDOM OF THE DIVINE WILL

VOL. 26, MAY 12 1929

"...It was necessary that my Humanity first redo decayed humanity and give to it all the remedies in order to raise it again, and then die and rise again with the qualities of innocent Adam, so as to be able to give to man what he lost. Not only this, but I wanted to ascend into Heaven with my Humanity as beautiful, clothed with light, just as it came out of Our creative hands, so as to say to the Celestial Father:

'My Father, look at Me, how my Humanity is redone, how the Kingdom of Our Will is safe in It. I am the Head of all, and the One who prays You has all the rights to ask and to give what I possess.'

My daughter, an innocent humanity, with all the qualities with which it came out of Our creative hands, was needed in order to impetrate again the Kingdom of Our Will into the midst of creatures. Up to that time it was missing, and I purchased it with my death, and I ascended into Heaven in order to fulfill, with my first task, my second task of impetrating and giving the Kingdom of my Divine Will upon earth.

It is about two thousand years that this Humanity of Mine has been praying, and Our Divine Majesty, feeling the love of Creation which We had in creating man overflow from Itself again - or rather, with greater intensity - and feeling Itself being enraptured and charmed by the beauties of my Humanity, has poured Itself out again; and opening the Heavens, It has made the rain of light of the many knowledges about my Fiat rain down in torrents, so that, like rain, It may descend upon souls, and with Its light It may vivify and heal the human will, and transforming it, It may cast the root of my Will into the hearts, and may lay Its Kingdom upon earth.

In order for my Kingdom to come upon earth, first I had to make It known, I had to make known that It wants to come to reign. And I, as an elder brother of the human family, in order to give to it a purchase so great, am making all the arrangements in Heaven before the Divinity. Therefore, it was necessary that I ascend into Heaven with my Humanity glorified, in order to be able to purchase again the Kingdom of my Fiat for my brothers and children of mine. "

The Most Holy Mary, the Immaculate Virgin, Mother of God and of all, was always present in the life of Luisa Piccarreta as a Mother—protecting her from the attacks of the devil, giving her strength, encouraging her to suffer out of love for her Son, and giving her teachings for her greater union with Jesus. When Jesus invites her to offer herself as a victim in reparation for sins out of love for Him, the Heavenly Mother is present, encouraging her to accept, and at that moment Jesus tells Luisa that He will give her His Mother as help and consolation always—and so it was.

Throughout Luisa’s writings, we read that many times Jesus speaks of His most beloved Mother to reveal to Luisa sublime things about her interior greatness, previously unknown: her unique privileges, the immense value of her acts—even the smallest ones—her love for God so great that from the very first instant of her Conception it surpasses the love of all the saints together; her immediate correspondence to the graces of the Most Holy Trinity; her tender love for every human being from the moment each is conceived; her hidden tears, her secret prayers, her sacrifices from a very young age for each and every one of us. And He reveals what is the cause of these immense

spiritual wonders in the Immaculate Virgin: having always lived within the Will of God, the source of all goods and wonders.

At other times we read that this Mother gives her teachings—especially 31 precious lessons—so that we may come to live as She lived: in the Divine Will. In order for us to learn this, she explains it through the different episodes of her own life and that of her Divine Son, and she leaves us “homework”: a different practice each day, so that her teachings may become part of our lives and transform them. These lessons form the beautiful book called “The Virgin Mary in the Kingdom of the Divine Will,” meant to be read and meditated upon over the course of a month,

especially during the months dedicated to Mary: May and October.

The book begins with a call that the Most Holy Virgin makes to all souls, inviting them to receive her lessons on the Kingdom of the Divine Will. We reproduce some phrases:

“I come to invite you to enter into the Kingdom of your Mother—that is, the Kingdom of the Divine Will—and I knock at the door of your heart so that you may open it to me.

Look, with my own hands I bring you this book as a gift; I offer it to you with maternal love so that, by reading it, you may learn to live of Heaven and no longer of earth.

This book is made of gold, my daughter. It will form your spiritual fortune and your happiness even on earth. In it you will find the source of all goods: if you are weak, you will acquire strength; if you are tempted, you will gain victory; if you fall into sin, you will find the merciful and powerful hand that will raise you up; if you feel afflicted, you will find consolation; if you feel cold, you will find the sure means to become fervent; and if you feel hungry, you will take the exquisite nourishment of the Divine Will. With this book, you will lack nothing; you will no longer be alone, because your Mother will keep you sweet company...

I will travel throughout the whole world (by means of this book); I will go to every soul, to every family, to every religious community, to every nation, to every people—and, if necessary, I will go on for entire centuries—until I have formed my people as Queen and my children as Mother, who will come to know and cause the Divine Will to reign in all things. Here, then, is explained the purpose of this book.

LUISA PICCARRETA Y LA MAMÁ CELESTIAL #3

Those who receive it with love will be the first fortunate children who will belong to the Kingdom of the Divine Fiat, and I, with letters of gold, will write their names in my maternal Heart.

See, my daughter, the very infinite love of God which, in the Redemption, wished to make use of Me to bring the Eternal Word down to earth, now calls Me again and entrusts to Me the task, the sublime mission, of forming on earth the children of the Kingdom of the Divine Will."

Let us be clear: in this "book of gold," our Mother is no longer calling us to conversion, nor is she giving us simple "a, b, c" messages for taking the first steps on the spiritual path. Rather, she gives us the sublime teachings to know, to act, and to live in the Kingdom of the Divine Will. These are the greatest and most important teachings she can give us; they are the summit of her "messages" to the world, the full development and fulfillment of her maternal mission toward all her children. What an immense grace that it has been placed into our hands! May we appreciate it for what it is and what it contains; may we make use of it, study it, meditate on it, and put it into practice. Let us give our beloved Mother this great joy and give thanks for what is the greatest Marian revelation of all time.

(The Virgin Mary,
28th day)

The Mission of the Divine Will Reproduces on Earth the Image of the Most Holy Trinity.

Vol. 17; May 4. 1925

"...continue to write, and add: 'The mission of my Will will conceal the Most Holy Trinity upon earth. Just as in Heaven there are the Father, the Son and the Holy Spirit, inseparable but distinct among themselves, Who form all the beatitude of Heaven, in the same way, on earth there will be three persons who, because of their missions, will be distinct and inseparable among themselves: the Virgin, with Her Maternity which conceals the Paternity of the Celestial Father and encloses His power in order to fulfill Her mission of Mother of the Eternal Word and Co-Redemptrix of mankind; my Humanity, for the mission of Redeemer, which was enclosed in the Divinity of the Word, without ever separating from the Father and from the Holy Spirit, in order to manifest

my celestial wisdom, adding the bond of becoming inseparable from my Mama; and you, for the mission of my Will, as the Holy Spirit will display His Love in you, manifesting to you His secrets, the prodigies of my Will, the goods It contains, in order to make happy those who will give themselves to knowing how much good this Supreme Will contains, to love It and to let It reign in their midst, offering their souls to let It dwell within their hearts, that It may be able to form Its Life in them. And the bond of inseparability will be added, between you, the Mother and the Eternal Word.

These three missions are distinct and inseparable. The first two have prepared the graces, the light, the work, and everything, with unheard-of pains, for the third mission of my Will, in order to be all fused in It without leaving their office, so as to find rest, because my Will alone is celestial rest. These two missions will be repeated, because their exuberance of grace, of light, of knowledge, is so great that all human generations can be filled with them; even more, they will not be able to contain all the good which they contain. These two missions are symbolized by the Sun, since, in creating it, I filled it with so much light and heat, that all human generations can enjoy it in in superabundance. "
