LITTLE CHILDREN OF THE DIVINE FIAT

Teachings of Our Heavenly Mother on Her Presentation in the Temple (November 21)

"I had just turned three years old when my parents made known to Me that they wanted to consecrate Me to the Lord in the Temple. My heart rejoiced in hearing this – that is, consecrating Myself and spending my years in the house of God. But beneath my joy there was a sorrow - a privation of the dearest persons one can have on earth, which were my dear parents. I was little, I needed their maternal cares; I was depriving Myself of the presence of two great saints. Moreover, I saw that as the day approached on which they were to deprive themselves of Me, who rendered their lives full of joy and of happiness, they felt such bitterness as to feel themselves dying. But, though suffering, they were disposed to make the heroic act of taking Me to the Lord.
My parents loved Me in the order of God, and considered Me a great gift, given to them by the Lord; and this gave them the strength to make the painful sacrifice.

Teachings of Our Heavenly Mother on Her Presentation in the Temple - 2 (November 21)

Therefore, my child, if you want to have invincible strength to suffer the hardest pains, let all your things be in the order of God, and hold them as precious gifts given to you by the Lord.

Now, you must know that I prepared Myself with courage for my departure for the Temple, because, as I delivered my will to the Divine Being and the Supreme Fiat took possession of my whole being, I acquired all virtues as my own nature. I was dominator of Myself; all virtues were in Me like many noble princesses, and according to the circumstances of my life, they promptly showed themselves, to do their office without any resistance. In vain would they have called Me Queen, had I not possessed the virtue of being Queen over Myself. Therefore, I had in my dominion perfect charity, invincible patience, enrapturing sweetness, profound humility, and the whole endowment of the other virtues. The Divine Will rendered my little earth of my humanity fortunate, always flowery, and without the thorns of vices.

Teachings of Our Heavenly Mother on Her Presentation in the Temple - 3 (November 21)

Do you see then, dear child, what it means to live of Divine Will? Its light, Its sanctity and power convert all virtues into one's nature; nor does It lower Itself to reign in a soul where there is a rebellious nature - no, no. It is sanctity, and It wants the nature in which It must reign to be ordered and holy.

Therefore, by the sacrifice of going to the Temple, it was conquests that I made; and over this sacrifice, the triumph of a Divine Will was formed in Me. And these triumphs brought into Me new seas of grace, of sanctity and of light - to the extent of feeling happy in my pains, in order to be able to conquer new triumphs.

Now, my child, place your hand upon your heart, and tell your Mama:

- Do you feel your nature changed into virtue?

- Or, do you feel the thorns of impatience, the noxious herbs of agitations, the bad humors of affections which are not holy?

Listen – let your Mama do it; place your will into my hands, determined in not wanting it any more, and I will make you be possessed by the Divine Will, which will banish everything from you; and what you have not done in many years, you will do in one day, which will be the beginning of true life, of happiness, and of true sanctity." (13th day. Meditation, The Virgin Mary in the Kingdom of the Divine Will)

The Feast the Saints Celebrate
When the Soul Acts in the Divine Will

On the occasion of the Feast of All Saints, which we celebrate on November 1, the soul who acts in the Divine Will, as Jesus teaches, lives the communion of saints most actively in each act, and the saints experience greater happiness because of this soul. In this beautiful chapter, Jesus teaches us how the saints in Heaven experience this.

"Beloved daughter of my Volition, do you want to come into my Will to substitute in a divine manner for so many acts not done by our other brothers?

- For many others done humanly;
- and for other acts, holy, yes, but human and not in the divine order?

I did everything in the divine order, but I am not yet content; I want the creature to enter into my Will and, in a divine manner, to come to kiss my acts, substituting for everything, as I did.

Therefore, come - come; I long for it, I desire it so much that I put Myself as though in feast when I see that the creature enters this divine sphere, and multiplying herself together with Me, she multiplies in everyone, and loves, repairs, substitutes for all and for each one in a divine manner. I no longer recognize human things in her, but all my things. My love rises and multiplies; the reparations multiply to the infinite; the substitutions are divine. What joy! What feast! The very Saints unite with Me and make feast, ardently waiting for a sister of theirs to substitute for their own acts, holy in the human order, but not in the divine order. They pray Me to let the creature enter soon this divine sphere, and that all of their acts be substituted only with the Divine Will, and with the imprint of the Eternal One. I did this for all; now I want you to do it for all. "

The Feast the Saints Celebrate
When the Soul Acts in the Divine Will - 2

I entered into Jesus and did what Jesus was doing. Oh! how I could see with clarity what Jesus had told me; with Him I remained multiplied in everyone, even in the Saints...

Jesus added: “I have my court in Heaven and I want another court on earth. Can you guess who will form this court? "

And I: ‘The souls who will live in your Will. ’

And He: "Bravo, they are precisely the ones who, without the shadow of interest and of personal sanctity, but fully divine, will live for the good of their brothers, and will form one single echo with Heaven”. (Vol. 12, Feb 13, 1919)

Just as Luisa immediately accepted Jesus’ invitation to unite with Him, with her acts, in His Divine Will, and the saints rejoiced, let us also be willing to do so—to substitute for all human acts, whether left undone or done only in a human way—so that we may share in the celebration of all the saints. This celebration will not be limited to this liturgical feast day; rather, each act of ours done in the Divine Will will be a new celebration.

In the same way, we will embrace all the souls in Purgatory and give them help and relief, since we desire to substitute for all the acts of everyone, and everyone, including those in Purgatory, receives the effects according to their dispositions.
